Description	When you think about Switzerland don’t you have in mind the image of a Swiss Chalet village slap in the lap of the Mountains? This is Les Diablerets: ’’little devils’’, located in the heart of the Alps Vaudoises. This village entirely made up of chalets, has great cachet and a penny to develop while preserving its heritage. Just looking up you cannot miss the majestic Glacier, the top is at 3000 meters. Jump in the mountains with the Glacier 3000, dominate the snowy peaks and risk you on the only bridge in the world which connects 2 summits. Take advantage of the fun Park and the enjoyments of the snow in winter where sleds are waiting for you. In summer, let you tented by a descent in RollerCoaster. The glacier offer 3000 multiple activities in an exceptional frame.
